## who we are

Fostoria Area Habitat for Humanity is committed to building the quality of life, health, and economic prosperity of the Fostoria area by producing, preserving, and advocating for affordable homeownership – because homes and families are the foundation of successful communities.

## what we do

We work to bring affordable housing to the Fostoria community and the families that live in it. We build, repair, and sell homes to families with an affordable mortgage while connecting them to the community through our neighborhood revitalization projects.
