

NO ONE FIGHTS ALONE INC
CAR, TRUCK & BIKE SHOW/ FAMILY FUN DAY
MAY 21, 2022

Hello, my name is Minnie Danner and my mother Becky Williams and I run a local non profit organization called No One Fights Alone. We founded this in 2012 when I was diagnosed with breast cancer at the age of 32. I had an amazing support system from my family and friends and I wanted to pay it forward. So we began "No One Fights Alone". Our organization provides care bags filled with helpful items needed during cancer treatments, including gas and restaurant cards. We have held several major fundraisers over the years, one of which is our annual Car Show and Family Fun Day, held in Sycamore. We have started planning for this year, and we are asking area businesses and organizations if they would be interested in sponsoring the event, either by making a donation, sponsoring a trophy, or offering a raffle item. All profits from this event, and all of our fundraisers, help local cancer patients. To date we have distributed over 1000 bags to our family, friends and community members in need. We are in our 10th year and because of generous supporters over the years we can continue our mission to support others. Our care bags are more than just care items and monetary support, they offer hope and love in the darkest of times. We appreciate all and any donations. We are looking forward to this year's Car Show and Family Fun Day. If you would like to help in any way please contact Becky Williams or myself.

Thank You,
Minnie Danner
