

2019 Inaugural Fall in Love With Republic Event Involvement Proposal

What is Fall in Love with Republic?

Fall in Love with Republic is proposed to be a single-day, afternoon event on Saturday, October 5, 2019, from about 10:30 AM – 4:00 PM. The Scipio-Republic Area Historical Society will organize activities at the park, including making apple butter, and Log Cabin tours.

The Republic Knights of Columbus will be making BBQ chicken dinners, and we would like to invite the other groups and businesses of the community to participate in a way that best meets their needs, whether it be to offer a coupon special with special hours, or to host an activity of their design at their business to encourage attendees to visit and sample all that Republic has to offer.

There may be a shuttle provided to transport attendees between the park and uptown.

What's our goal?

Fall in Love with Republic's main goal is to encourage community involvement and to support local groups and businesses, while further introducing all that Republic has to offer to members of the wider Seneca County community.

How can groups and businesses participate on October 5th?

The sky is the limit, as long as it is advertised as Fall in Love with Republic! Here are some of our ideas:

- Offer a coupon special to your customers
- Offer special hours
- Host a give-away or a raffle to customers who visit your business
- Host a class or seminar related to your business
- Set up a table uptown or at the park with a display related to your business
- Provide free coffee or hot apple cider at a table uptown
- Any other idea that you have!

When do I have to decide?

If you would like your business event to be included in our main Fall in Love with Republic advertising, please notify the Scipio-Republic Area Historical Society by **July 28th** at the latest.

You must be a local Republic group or business to host an event or activity for Fall in Love with Republic.
