

Tiffin City Schools, in partnership with Tiffin-Seneca United Way, is proud to present the **Pay It Forward Project**. This project is committed to ensuring that ALL students have basic necessities and needs met.

School staff and community members can donate new or gently used clothing, shoes and hygiene items. Families are able to “shop” during designated days/times providing free & essential items they may need. Referrals to other community resources are also provided, on site. Donation & store schedules will be shared on a monthly basis (follow Tiffin City Schools on Facebook or @TCSSocialworker on Twitter)

Pay It Forward will provide Columbian students with career experience, job skills, and social skills needed to work in public entities.
